Model ip8300 infoPhone®

Expandable Landline Cordless Phone System with Access to Online Content

Yahoo!® Communication Services

Access e-mail, Instant Messaging, online directory search, and address book using the cordless handset.

Real-time access to news headlines, sports scores, horoscopes and weather forecasts on the handset

A convenient and easy way to stay caught up on your favorite topics.

Individual profiles via password protected login

Password protected profiles, accessible from any handset, help maintain privacy for online services such as e-mail and IM.

Features

- DECT 6.0 Digital technology provides the best sound quality, security and range in cordless phones
- WiFi friendly—won't interfere with wireless networks
- Expandable up to 5 handsets using only one phone jack—uses ip831 accessory handsets
- High resolution 64K color display
- Caller ID/call waiting—stores 50 calls
- Handset speakerphone
- Conference call capability—transfer calls, conference an outside call or use the intercom feature between handsets
- Distinctive ringing—set separate ring tones for calls coming in from the landline or via IM
- Voicemail waiting indicator
- Backlit keypad and display

Access to online content

- Personalized Internet content includes: news headlines, sports scores, horoscopes and weather forecasts on the handset
- Yahoo! Local search—find a plumber or your favorite restaurant from the handset
- PC independent—connect the telephone base to your broadband router for always-on access

Yahoo!® communication services

- Real-time IM chat and access to your buddy list
- Review and respond to e-mail
- Access your Yahoo! address book

Personalization

- Create secure individual profiles for each member of the family
- Customize ring tones, wallpaper and color theme
