Model DS6321-2

Expandable Two Handset Cordless Phone System with Cellular Connection through BLUETOOTH® Technology

Makes and receives landline and cellular calls

Connects to BLUETOOTH® enabled cellular phones to make and receive cellular calls with the ease and comfort of a home phone system—avoid the mad dash to catch a cell call before it goes to voicemail.

Access your cellular phonebook directory

Download your cellular phonebook directory to this cordless phone system—dial a landline or cellular call from the directory for easy access.

Digital answering system

With 14 minutes of recording time, the digital answering system answers the call when you can't. No tapes or moving parts.

Features

- DECT 6.0 Digital technology provides the best sound quality, security and range in cordless phones
- Interference free for crystal clear conversations—won't interfere with wireless networks and other electronic devices
- Protect yourself from identity theft with digital security—your call is digitized and encrypted, making it nearly impossible for someone to eavesdrop
- Three handset system—includes 2 handsets and requires only one phone jack
- Expandable up to 12 handsets using only one phone jack—uses DS6301 accessory handset
- Stores over 2000 directories from up to four different cell phones—no need to input names and numbers into your cordless phone
- Landline service not required—works great for cellular only households
- Two cell phones can be actively connected to the base—cellular calls can be made or received from either of these two active cell phones
- Pair four different cell phones to the base unit
- Caller ID/call waiting*—stores 50 calls
- Digital answering system—no tapes or moving parts
- Handset speakerphone—enjoy hands-free conversations on each handset
- Intercom between handsets—no more shouting, "Dinner time!"
- Transfer calls between handsets—no more shouting, "It's for you!"
- Conference an outside call between handsets
- 50 name and number phonebook directory—easily store and dial frequently called numbers
- 14 minutes of recording time
- Backlit message counter
