

Model 6041

Two Handset Cordless Phone System with Caller ID and Handset Speakerphone

Interference free

Interference free for crystal clear conversations—won't interfere with wireless networks and other electronic devices.

Handset speakerphone

With the touch of a button, the handset speakerphone makes hands-free conversations easy.

Blue backlit keypad and display

The entire keypad and LCD screen illuminate with a blue glow, allowing for easier viewing in dim light.

Features

- DECT 6.0 Digital technology provides the best sound quality, security and range in cordless phones
- Interference free for crystal clear conversations—won't interfere with wireless networks and other electronic devices
