Limited warranty

What does this limited warranty cover? The manufacturer of this VTech Product warrants to

the holder of a valid proof of purchase ("Consumer" or 'you") that the Product and all accessories provided n the sales package ("Product") are free from defects in material and workmanship, pursuant to the following terms and conditions, when installed and used normally and in accordance with the Product operating instructions. This limited warranty extends only to the Consumer for Products purchased and used in the United States of America and Canada.

What will VTech do if the Product is not free from defects in materials and workmanship during the limited warranty period ("Materially Defective Product")?

During the limited warranty period, VTech's authorized service representative will repair or replace at VTech's option, without charge, a Materially Defective Product. we repair the Product, we may use new or refurbished replacement parts. If we choose to replace the Product, we may replace it with a new or refurbished Product of the same or similar design. We will retain defective parts, modules, or equipment. Repair or replacement of the Product, at VTech's option, is your exclusive medy. VTech will return the repaired or replacement Products to you in working condition. You should expect the repair or replacement to take approximately 30 days.

How long is the limited warranty period? The limited warranty period for the Product extends for

ONE (1) YEAR from the date of purchase. If VTech repairs or replaces a Materially Defective Product under the terms of this limited warranty, this limited warranty also applies to the repaired or replacement Product for a period of either (a) 90 days from the date the repaired or replacement Product is shipped to you or (b) the time remaining on the original one-year warranty; whichever is longer.

Product that has been subjected to misuse accident, shipping or other physical damage mproper installation, abnormal operation of handling, neglect, inundation, fire, water or other

This limited warranty does not cover:

alteration or modification by anyone other than an authorized service representative of VTech; or Product to the extent that the problem experienced is caused by signal conditions, network reliability,

or cable or antenna systems; or

Product that has been damaged due to repair

Product to the extent that the problem is caused

purposes (including but not limited to Products

- by use with non-VTech accessories; or Product whose warranty/quality stickers, product serial number plates or electronic serial numbers have been removed, altered or rendered illegible; or Product purchased, used, serviced, or shipped for
- (see item 2 on the next page); or Charges for installation or set up, adjustment of customer controls, and installation or repair of

used for rental purposes); or

systems outside the unit.

How do you get warranty service?

NOTE: Before calling for service, please review the user's manual - a check of the Product's controls and features may save you a service call. Except as provided by applicable law, you assume the risk of loss or damage during transit and transportation and are responsible for delivery or handling charges

incurred in the transport of the Product(s) to the service location. VTech will return repaired or replaced Product under this limited warranty. Transportation, delivery or handling charges are prepaid. VTech assumes no risk for damage or loss of the Product in transit. If the Product failure is not covered by this limited warranty or proof of purchase does not meet the terms of this nited warranty, VTech will notify you and will reques that you authorize the cost of repair prior to any furthe repair activity. You must pay for the cost of repair and return shipping costs for the repair of Products that are not covered by this limited warranty.

warranty service? Return the entire original package and contents including the Product to the VTech service location

What must you return with the Product to get

along with a description of the malfunction or difficulty: and Include a "valid proof of purchase" (sales receipt) identifying the Product purchased (Product model and the date of purchase or receipt; and

Provide your name, complete and correct mailing

address, and telephone number.

This warranty is the complete and exclusive agreement between you and VTech. It supersedes all other written or oral communications related to this Product VTech provides no other warranties for this Product. The warranty exclusively describes all of VTech's responsibilities regarding the Product. There are no other express warranties. No one is authorized to mak modifications to this limited warranty and you should not rely on any such modificati State/Provincial Law Rights: This warranty gives you

specific legal rights, and you may also have other rights

which vary from state to state or province to province.

Limitations: Implied warranties, including those of fitness for a particular purpose and merchantability (an unwritten warranty that the Product is fit for ordinary use) are limited to one year from the date of purchase Some states/provinces do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. In no event shall VTech be liable for any indirect, special, incidental, consequential, or similar damages (including, but not limited to lost profits or revenue, inability to use the Product or other associated equipment, the cost of substitute equipment, and claims by third parties) resulting from the use of this Product. Some states/provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Please retain your original sales receipt as proof of purchase.
