BEAVERTON, Ore., Jan. 15 2015 — **VTech Communications Inc.** ., a wholly owned subsidiary of VTech Holdings Ltd. (HKSE: 303), announced today that TMC, a global, integrated media company, has named the **ErisTerminal SIP Entry-Level Deskset** as a recipient of a 2015 INTERNET TELEPHONY Product of the Year Award.

"VTech is thrilled to receive this award from TMC recognizing our entry-level SIP desk phone. The demand for SIP phones continues to grow and VTech is committed to providing businesses with an easy way to transition from their traditional PBX phone system to a SIP phone solution with our ErisTerminal SIP Entry-Level Deskset," said Graham Williams, vice president, VTech Business Phones.

The ErisTerminal SIP Entry-Level Deskset (VSP725) is a cost-effective SIP solution featuring Power over Ethernet (PoE) support, dual Ethernet ports and auto-provisioning. Users can program up to 24 buttons for one-touch access to shared call appearances (SCA), busy lamp fields (BLF), quick-dial keys, paging and more. Managing multiple calls is easy with advanced call handling features and support for up to three SIP lines/accounts. Support for the G.722 wideband codec for HD Audio means users enjoy superior voice quality along with the peace of mind that comes with a standard two-year advanced replacement product warranty. The VSP725 is just one of the products that comprise the ErisTerminal product portfolio, which includes a feature deskset (VSP735), a SIP DECT cordless handset with base station (VSP600), a SIP DECT cordless handset (VSP601) and SIP DECT cordless headset (VSP505) to enhance mobility in the workplace.

"It gives me great pleasure to recognize VTech with a 2015 Product of the Year Award for its commitment to excellence and innovation," said Rich Tehrani, CEO, TMC. "In the opinion of our distinguished judges, the ErisTerminal SIP Entry-Level Deskset has proven to be among the best communications and technology solutions available on the market. I look forward to continued innovation from VTech."

The winners of the 2015 INTERNET TELEPHONY Product of the Year are featured in the 2015 January/February issue of *INTERNET TELEPHONY* magazine and online at www.itmag.com. For more information about TMC, please visit www.tmcnet.com.

About VTech®

VTech is the global leader in electronic learning products from infancy to preschool and the world's largest manufacturer of cordless phones. It also provides highly sought-after contract manufacturing services and telephony solutions for the hospitality industry. The company has leveraged its expertise and success in cordless telephones to offer a portfolio of cost-effective, cutting-edge business phone solutions as well. Founded in 1976, VTech's mission is to design, manufacture and supply innovative and high-quality products in a manner that minimizes any impact on the environment, while creating sustainable value for its stakeholders and the community.
