## 2-Line Operation

Dial and receive calls on two different phone lines.

## Speakerphone

Allows you to speak and listen without holding the handset. This leaves your hands free to do other things and lets more people participate in the conversation.

## 3-Party Conferencing

Allows you to have a 3-way conversation between you and persons on 2 other lines. The 2 other lines can be inside lines, outside lines or a combination.

## Additional Features
