

Model DM111

Safe & Sound™

Digital Audio Monitor

DECT 6.0 Interference Free Communication

DECT 6.0 digital technology provides clear transmission and eliminates background noise, so you can rest assured the only sounds you—and only you—will hear are your baby's.

5-Level Sound Indicator

LED lights on the parent unit indicate the level of sound in your baby's room so you can visually monitor the noise level with the unit muted.

Belt Clip

Clip the parent unit to your belt and take advantage of the extended range and battery-powered operation.

Additional Features

- DECT 6.0 digital technology
- Data encryption for security
- Volume control
- Out of range indicator
- High sensitivity microphone
- On/Off indicator
- AC adapters included for the baby and parent unit
- Battery compartment in parent unit for increased mobility. Batteries not included.
